Knowledge and Networking

This convention gets better each year. Come meet with leaders in your areas of practice and join the lively exchanges that take place during the more than 200 events at the convention. Accomplished trial lawyers and experts will discuss the latest developments in trial advocacy and specialized topics at 10 cutting-edge Continuing Legal Education (CLE) programs designed to help you better represent your clients. Earn up to a year's worth of CLE credits at these programs designed by plaintiff lawyers for plaintiff lawyers. Build powerful connections, increase your knowledge, and stay ahead of the curve when it comes to the latest developments in your practice area by attending Section, Litigation Group, and Committee meetings.

Taking a business trip to the beautiful Arizona Biltmore Resort and Spa in the middle of winter is appealing enough for anyone to register for this premier event. But add to that the value you'll receive from networking with engaged and passionate trial lawyers and you have all the reasons you need to attend the AAJ 2012 Winter Convention.

Just as Frank Lloyd Wright influenced the architecture at the Biltmore, so too will members make their mark at the Winter Convention this February. Come join dedicated AAJ members who will be making powerful connections, gaining strength in knowledge, and uniting for justice.
